- Select which products will appear on your website

The screenshot displays the American Standard website interface. At the top, the logo reads "American Standard HEATING & AIR CONDITIONING". Below the logo is a banner image of a woman and a child. A dropdown menu labeled "Select a Product Category" is visible. The main content area is titled "Outdoor Air Conditioners" and features three product cards:

- PLATINUM 20** (Model 4A7V0): The Platinum 20 AccuComfort™ Variable.
- PLATINUM 18** (Model 4A7V8): The Platinum 18 AccuComfort™ Variable.
- GOLD 17** (Model 4A7A7): The Gold 17 central air conditioner unit offers.
